HOUSING & URBAN DEVELOPMENT DEPARTMENT

RESOLUTION

The 14th August, 2015

Government after careful consideration have been pleased to approved the “Policy for Housing for All in Urban Areas, Odisha, 2015” to create a comprehensive, holistic policy framework to address all aspects of housing for the urban poor including slum rehabilitation and redevelopment as well as new housing and rental housing. It adopts seven models of intervention for creation of affordable housing stock and slum redevelopment, in-situ as well as relocation, through private sector participation mechanism and or undertaking of projects directly through government agencies.

On coming into effect of this Policy, the ‘Revised Scheme for Affordable Urban Housing in Odisha, 2013’ issued on 08.08.2013 by Housing and Urban Development Department, Government of Odisha stands repealed and provisions of this Policy would have an overriding effect over Slum Rehabilitation & Development Policy for Odisha to the extent provided in this policy.

By Order of the Governor

Chapter-I : INTRODUCTION

- 1.1** Housing is a fundamental human need. Unfortunately, one-fifth of the world's population lives in slums. With rapid urbanisation, large-scale migration is taking place from rural to urban areas in search of livelihood opportunities, adding to the internal population growth of the cities. In the absence of inclusive urban planning, this creates shortage of housing, water, sanitation, health, education, social security and livelihood, leading to dismal living conditions for urban poor.
- 1.2** In 2007, a housing shortfall of about 1,50,000 units were estimated in Bhubaneswar and Cuttack region alone by their respective development plans. A recent state wide estimate by the Technical Group on Urban Housing Shortage (2012-17) states that there is a shortfall of about 4,10,000 housing units in Odisha. It is further estimated that approximately 3,60,000 affordable dwelling units would have to be added in the Bhubaneswar - Cuttack region, exclusively, to accommodate the growth during the next ten years in these areas.
- 1.3** An affordable housing study for DFID conducted by CRISIL in 2012 observed that most of the upcoming developments in Bhubaneswar and Cuttack region were HIG housing with some MIG housing though usually in the periphery. It was observed that developers refrained from developing lower income group (LIG) / economically weaker section (EWS) housing and instead focused on the premium (HIG) bracket. The housing market showed “investor” orientation rather than a “user” orientation. The resultant stock was apartments in the range of 1200 sq.ft. mid-sized apartments to luxurious apartments of area 2500 sq.ft. and above. The developments within the proximity of the core cities have not shown any progress towards creation of housing stock for low-income groups. The addition in housing stock has mostly “flatted” and no new plotted development was observed in the region (except for HIG).
- 1.4** Government agencies such as Bhubaneswar Development Authority, Cuttack Development Authority and Odisha State Housing Board (OSHB) have not been able to address issues of mass housing till date. For instance, BDA has taken up only three Housing Schemes in last ten years: (1) Ananta Vihar Housing Scheme, Phase-II (2004)with160 MIG houses, (2) Netaji Subash Enclave, Gadakan (2007)with304 HIG Duplex houses and (3) Ananta Vihar, Phase-II, HIG Duplex Finished Housing Scheme(2009)with44 houses. The total number of dwelling units in these schemes is HIG (Duplex-348 units) and (MIG- 160units). No houses have been constructed under EWS &LIG category over the last ten years. This further indicates that there has been no systemic effort for want of

adequate policy support in addressing concerns of housing in urban areas. The reasons include tedious process for allotment of Government land to these agencies for development of housing projects, high rate of bench mark premium charged etc. This encourages Development Authorities and Housing Boards to take up only upmarket housing projects. It leads to exclusion of those very families who are meant to be addressed by the Housing Policy i.e. EWS and LIG households. This social exclusion from Government-sponsored and private sector housing programmes has led to mushrooming of informal settlements (slums). Informal settlements exposes socially disadvantaged groups to insecurity of tenure, evictions and poor socio-economic services such as health, sanitation etc. It further drags and traps these families in a cycle of poverty. For example, within the jurisdiction of Bhubaneswar Municipal Corporation, more than 40% of population is staying in slums as on date and further growing at exponential rates with the day by day increase in shortage of EWS & LIG houses.

- 1.5** The EWS and LIG households accounts for about 75% of the housing stock requirements. These households make vital contributions to the growth of a city. Hence, it is must to provide for EWS & LIG housing in large numbers to become inclusive, vibrant and affordable. The rising land and construction costs have made affordable housing out of reach for the EWS and LIG households in the urban areas and their requirements can only be met if the State (through appropriate policy instruments and supporting legal framework), Municipal bodies (through proactive partnership and support), Development Authorities and the Odisha State Housing Board (through obligatory provisions in development control regulations, proper spatial planning and affordable housing schemes), housing finance institutions (through adequate lending to both developers and end-use borrowers at affordable lending rates) and private developers (through focus on affordable housing sector) join hands to make it possible.
- 1.6** Housing is generally the single largest expenditure of EWS and LIG households. It is also the prime asset for these families. Therefore, given the high land and construction costs and procedural bottlenecks associated with development of affordable housing, it is necessary to devise a Housing Policy, which focuses on EWS and LIG households to make urban growth an inclusive process.

- 1.7** In the past Government has tried to address these issues through the Revised Scheme for Affordable Urban Housing in Odisha, 2013 and Slum Rehabilitation and Development Policy, 2011 for Odisha; however, the major bottlenecks could not be removed for want of clarity and integrated approach. Further, lack of operative guidelines has not allowed full utilization of these policy instruments. As there exists a link between affordable housing, slum rehabilitation and redevelopment, it is imperative to bring a unified policy framework with focus towards Housing for All (HFA).
- 1.8** The avowed objective of „Housing For All“ of Government of Odisha requires coherent strategies to be adopted for development of Affordable Housing (AH) for existing demand and new migrants, Slum Rehabilitation and Redevelopment Housing (SRRH) for existing informal settlements (Slums), In-situ Slum Upgradation Housing (ISUH) and Rental Housing (RH). Therefore, this Policy for “Housing For All in Urban Areas” of Government of Odisha intends to create an enabling environment for all stakeholders to work together in achieving the objectives set forth. With the adoption of this Policy having in-built incentive mechanism, it is expected that all stakeholders including private developers would be encouraged to take up construction of housing for EWS and LIG households in urban areas of Odisha.
- 1.9** In order to meet the growing requirement for AH, SRRH & RH, an initial target has been set for construction of 1,00,000 dwelling units for EWS and LIG households over the next 5 years.
- 1.10** On coming into effect of this Policy, the „Revised Scheme for Affordable Urban Housing in Odisha, 2013“ issued on 08.08.2013 by Housing and Urban Development Department, Government of Odisha stands repealed and provisions of this Policy would have an overriding effect over Slum Rehabilitation & Development Policy for Odisha to the extent provided in this policy.

Chapter – III: OVERVIEW OF THE POLICY

The Government of Odisha has taken up “Housing for All” as a top priority mission at the state level. The government has envisaged establishment of a Mission and earmarking of adequate financial, technical and managerial resources to this effort. This Policy is intended to provide the overarching enabling framework to facilitate achievement of the set objectives.

3.1 Vision

To ensure that all residents of urban areas in Odisha have access to a range of housing options within their affordability limits by putting in place a system that will deliver results consistently over a period of time.

3.2 Mission

To work towards a set of strategies to create a steady supply of affordable housing stocks to cater to the growing demand. Over a period of 7 years, the government intends to completely address housing deficit in urban areas and have an operational system, where supply matches demand.

3.3 Objectives

The specific objectives of this Policy are as follows:

- a) To create a comprehensive, holistic policy framework to address all aspects of housing for the urban poor including slum rehabilitation and redevelopment as well as new housing and rental housing.
- b) To promote inclusive mixed housing development in all new housing projects, both in the public and private domain.
- c) To promote mixed land use in housing estates in future so as to meet requirements of neighbourhood shopping, retail etc. within walking distance.
- d) Tenable proactive market-led efforts to address the low and informal income market segment.
- e) To promote public private partnerships for affordable housing and slum rehabilitation projects.
- f) To ensure availability of land for such projects in a time bound and regulated manner.
- g) To set principles for allotment of AH units, SRRH units and RH units to various beneficiaries in a transparent and efficient manner.
- h) To establish an effective institutional framework ensuring single window approvals for housing projects.

- i) To provide a platform for operation and maintenance of AH, SRRH and RH units in a cooperative manner.
- j) To promote inclusive & participatory planning and implementation processes for slum redevelopment housing.
- k) To integrate various livelihood programmes with housing programmes benefiting beneficiaries of AH, SRRH and RH and ensuring overall socio-economic development of the families.
- l) To ensure provision of networked municipal services across the city for ensuring better standards of living for urban poor,
- m) To promote and set up a system for formation of Housing Societies by the existing Slum Dwellers and to promote their participation in Slum Redevelopment programmes.
- n) To promote and ensure minimum relocation of the existing slum dwellers so as to maintain sanctity of existing economic and social linkages developed over a period of time in the informal settlements.
- o) To provide a frame work for supply of Affordable Rental Housing for new migrants to prevent development of new slums.
- p) To provide a mechanism to address operational issues that may arise from time to time during implementation of policy.

3.4 Strategies

To fulfill the above objectives, the Government of Odisha has decided to deploy a set of strategies that will address both the supply side and the demand side of affordable housing and integrate them with livelihood promotion.

3.4.1 Supply side strategies:

- a) Mandate the provision of affordable houses for urban poor as part of all new housing development projects both in the public and private domains and to provide adequate incentives to make such mandatory provisions viable.
- b) Create a favorable environment for developers to provide market-based solutions for affordable housing through an appropriate set of incentives.
- c) Create a policy framework for public private partnerships in affordable housing where the government through its agencies provides government land for the purpose.
- d) Articulate a set of principles for allocation of government land for affordable housing projects.

- e) Integrate the policy framework for slum rehabilitation and redevelopment with affordable housing policy.

3.4.2 Demand side strategies:

- a) Establish Affordable Housing Facilitation Centers to aggregate demand by registering potential beneficiaries, verifying their profile and facilitating access to home loans.
- b) Establish transparent processes for matching beneficiaries with projects for allotment of houses.

3.4.3 Service Level Strategies

- a) Establish responsibility frame work, integrate and coordinate various government agencies responsible for provisioning of basic services at the location of housing developed by the Project Development Agencies (PDA) in any of the Models under the policy.
- b) Mandate formation of registered housing societies for cooperation, participation and management of AH and SRRH projects and for taking up redevelopment and resettlement programmes in a cooperative manner with help of PDAs and State Government.
- c) Enhance the capacity and effectiveness of such housing societies for repair, maintenance and management of the housing estates through involvement of private entities under PPP mode or otherwise. The details relating to formation of registered society, operation and maintenance of estates etc. are provided in Annexure – 6 of this policy.
- d) Establish a mechanism for capturing in CDP Infrastructure Development Fund (CIDF) or State Housing Fund, as the case may be, concession fees as collected in case of PPP projects and any other fees collected from private developers and to provide for funding support out of these funds for various activities required for provisioning of housing for all.

3.4.4. Livelihood Level Strategies

- a) Make efforts to ensure that there is no disruption of socio-economic linkages of informal settlements by undertaking redevelopment of existing slums in situ to the extent possible or to relocate them in close proximity to the existing sites.
- b) Alignment and establishment of public transport linkages between important nodes of the city where affordable housing units are being built and core business district and other markets so as to create hassle free

communication between livelihood areas and residential areas.

- c) Make efforts to create mixed housing zones so that livelihood support linkages get created between the HIG/MIG segment housing and the EWS & LIG families.
- d) Creation of vendors' markets of vegetable, arts, crafts etc. depending on the capabilities and demands of the community either within the housing estate or in a nearby area.
- e) Promote engagement of in-house residents of the housing estate in maintenance and management of the housing estates and taking up skill upgradation for the same.
- f) Convergence of various urban livelihood programmes under the state & central government for improving livelihood options for urban poor.

3.5 Models under Housing for All (HFA) Policy in Odisha

The Government of Odisha envisages seven models for intervention under this Policy, which can operate independently or in combination with each other.

- a) Model-1: Mandatory Development of EWS Housing
- b) Model-2: Incentives for market based development of EWS and LIG Housing
- c) Model-3: Development of Affordable Housing Projects
- d) Model-4: In-situ Slum Redevelopment
- e) Model-5: Relocation and Rehabilitation
- f) Model-6: Beneficiary-Led Individual Housing Construction or Enhancement
- g) Model-7: Rental Housing.

3.6 Standard provisions

The unit size, unit price norms for reserved units, allotment system, development control norms for affordable housing projects, development of internal and external infrastructure, eligibility criteria for beneficiaries/ applicants and maintenance of the project area developed for affordable housing units have been mentioned in relevant Annexures to this Policy.

3.7 Provisions of Basic Services to Slum Dwellers

This policy also recognizes the need to provide for an effective mechanism for provision of basic services to urban poor living in slums till their habitation are taken up for comprehensive redevelopment under provisions of Chapter V of this Policy. Therefore, state government will take up a set of measures and

interventions to safeguard rights of slum dwellers to basic services as per provisions given in Annexure – 9.

3.8 Regulatory Reforms

Availability of urban land is the biggest constraint in providing housing to all including weaker sections. Therefore, to ease administrative and regulatory bottlenecks, following reforms will be taken up.

- 3.8.1 The State Government will make suitable changes in the law for obviating the need for conversion of Agricultural land for Non Agricultural purposes under Odisha Land Reforms Act, 1960, if land is already earmarked in Development Plan for Non Agricultural purposes.
- 3.8.2 It shall be ensured that at the time of preparation of master plans / development plans; at least 20% of land meant for housing is reserved for Affordable Housing.
- 3.8.3 The State Government will put in place a system of single window mechanism with time bound clearance for layout approval and building permissions by various authorities.
- 3.8.4 Authorities will prepare and notify pre-approved layouts and building plans for EWS/LIG housing so that same can be used by citizens for taking up construction of such houses.
- 3.8.5 The State Government will enact rent control law on the lines of Model Tenancy Act being prepared by Ministry of Central Government.
- 3.8.6 The State Government will make provisions for grant of additional FAR/FSI/TDR and relaxed density norms for slum redevelopment and low cost housing.

Chapter-IV : MODELS OF AFFORDABLE HOUSING

With a view to provide access to affordable housing for the urban poor including urban slum dwellers, the Policy adopts the following models:

4.1 Model 1: Mandatory Development of EWS Housing

In line with the Policy objective of promoting inclusive mixed housing development, this model mandates development of EWS housing in all new housing projects in urban areas of Odisha. This model is applicable for development by both private developers and Project Development Agencies (PDAs).

4.1.1 Private Developers

4.1.1.1 Reservation requirement: All apartments/ group-housing schemes with plot size exceeding 2,000 sqm shall have to compulsorily reserve minimum 10% of the originally permissible built-up area, for EWS dwelling units in order to obtain building plan approval from the competent authority under the applicable building regulations.

4.1.1.2 Compensatory FAR: The private developer shall be entitled to receive compensatory FAR equivalent to 100% of the built up area utilized for EWS units. This additional FAR can be utilised in the same project subject to maximum FAR of 3.5, or where there is any difficulty in utilizing the compensatory FAR in the same project, the developer shall be entitled to receive TDR for the unutilized Compensatory FAR. This TDR can be utilized at a different location or transferred to third parties subject to guidelines to be issued by the Government in this regard.

4.1.1.3 Utilization of remaining built-up area: The remaining built-up area may be utilized for other categories of houses and commercial purposes. This shall be as per the relevant provisions of Planning & Building Standards Regulation in force.

4.1.1.4 Mixed-use development: 5% of the built up area reserved for EWS dwelling units shall be developed as neighbourhood shopping and community facilities (if any). Out of same, 3% of the built up area must be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for EWS housing. The provisions of Annexure – 5 shall also apply to these developments.

4.1.1.5 **Relaxations for developers:** The mandatory provisions shall be ordinarily followed in all housing projects except in cases where, provisioning for EWS housing cannot be provided for practical reasons. In such cases, following relaxation will be available on case to case basis;

- a) **Development at separate location:** In the event of any problem in accommodating EWS dwelling units in the project in question, the private developer may be allowed to provide the same requirement of EWS housing at another location not beyond 5 km from the project, but such option shall not be available to projects occupying more than 4 acres of land. Provided further that if the upcoming project is within the Development Area of Development Authority, then the location of construction of EWS units shall also be within the Development Area of same Development Authority.
- b) **Payment of Shelter Fee:** In case, if providing the EWS dwelling units at a separate location as mentioned in clause (a) above is not possible and the land area of project is up to 4 acres, the private developer may be allowed to pay a „Shelter Fee“ in lieu of development of required EWS units in accordance with provisions as prescribed under Annexure - 2. The Shelter Fee contributed by private developer shall be included as a part of the CDP Infrastructure Development Fund (CIDF) to be established for each Development Authority. For the cities not covered under jurisdiction of a Development Authority, a State Level Housing Fund will be created for the purpose.
- c) **Allotment of Affordable Housing Units:** The Affordable Housing (AH) units developed under this model shall be allotted on basis of following principles: It should be allotted to beneficiaries who are eligible as per the criteria fixed in Annexure – 3.
- d) The allotment will be done on the basis of lottery.
- e) Odisha Housing Mission (OHM) will designate one PDA for each district or a group of districts. Such designated PDA shall be responsible for overall supervision of allotment of the Affordable Housing units created under this Model and for ensuring adherence to the provisions of the policy.
- f) The allotments shall be supervised by the designated PDA. This shall be subject to following conditions:

- (i) The committee constituted for the purpose of allotment shall have the Developer or its authorised representative, as member;
- (ii) The payments as due from the beneficiary will be paid directly by him to the developer;
- (iii) Cost to the beneficiary will be as provided in Annexure - 1.
- g) The substitution of allottee shall follow the same process as discussed above.
- h) The procedures given in Annexure – 3 shall apply, mutatis mutandis.

4.1.2 **Project Development Agencies for Government (OSHB/ ULBs/ DAs/ RITs/ SPAs)**

4.1.2.1 **Reservation requirement:** All housing schemes by government PDAs shall earmark at least 20% of the land area in all its housing schemes for EWS and LIG housing, out of which at least 10% of land area shall be reserved for EWS, and PDA shall in return be entitled to get Government land for the area reserved for EWS and LIG housing without any cost.

4.1.2.2 **Compensatory FAR:** The government PDAs shall be entitled to receive additional FAR equivalent to 100% of built up area utilized for EWS and LIG units. This additional FAR can be utilised in the same project subject to maximum FAR of 3.5, or where there is any difficulty in utilizing the compensatory FAR in the same project, the PDA shall be entitled to receive TDR for the unutilized Compensatory FAR which may be utilized at a different location or transferred, subject to guidelines to be issued by the Government in this regard.

4.1.2.3 **Utilization of remaining land area:** The remaining land area may be utilized for other categories of houses and commercial purposes. This shall be as per the relevant provisions of Planning & Building Standards Regulations, in force.

4.1.2.4 **Mixed-use development in area reserved for EWS & LIG dwelling units:** 5% of the built up area reserved for EWS & LIG dwelling units shall be developed as neighbourhood shopping and community facilities (if any). Out of same, 3% of the built up area shall be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for EWS& LIG housing. The provisions of Annexure – 5 shall also apply to these developments.

4.1.2.5 **Implementation Issues:**

- a) The relaxation available to private developers vide provisions 4.1.1.5(a), shall also be available to PDAs.
- b) The lease deeds already signed by PDAs, for government land allotted to them, shall be deemed to be amended to enable PPPs for housing. In all lease deeds to be signed after notification of this policy, a specific clause shall be added to enable PPPs for housing as per this policy.
- c) The allotment shall be done by PDA to beneficiary as per the principles given in Annexure – 3.

4.2 **Model 2 : Incentives for Market Based Development of EWS and LIG Housing**

In line with the Policy objective of enabling proactive market-led efforts to address the housing needs of EWS and LIG households, this model sets up an incentive mechanism, in terms of market pricing and other incentives for private developers and PDAs with an aim of increasing the supply of affordable housing units in urban areas of Odisha.

4.2.1 **Private Developers**

4.2.1.1 **Applicability of Model 1 requirements:** The provisions of Sections 4.1.1.1, 4.1.1.2 and 4.1.1.6 of Model 1 of this policy relating to mandatory provision of EWS housing shall apply to Model 2 also.

4.2.1.2 **Additional reservation for EWS and LIG housing:** If any private developer reserves area under EWS & LIG dwelling units beyond the mandatory provisions as given in Model - I, then he will be eligible to get incentives as prescribed in this model. These incentives shall be limited to built up area / land area used for providing such additional reservations. This is subject to the condition that minimum 50% of same shall have been reserved for EWS housing.

4.2.1.3 **Compensatory FAR:** The developer shall be entitled to receive additional FAR equivalent to 100% of the built up area utilized for EWS and 50% of the built up area utilized for LIG units. This additional FAR can be utilized in the same project subject to maximum FAR of 3.5, or where there is difficulty in utilizing the higher FAR in the same project, the developer shall be entitled to receive TDR for the unutilized Compensatory FAR which he may utilize at a different location or transfer to third parties subject to guidelines to be issued by the Government in this regard.

4.2.1.4 **Utilization of remaining built-up area:** The remaining built-up area may be utilized for other categories of houses and commercial purposes. This shall be subject to relevant provisions of Planning & Building Standards Regulations in force.

Mixed-use development in area reserved for EWS and LIG dwelling units:

5% of the built up area reserved for EWS and LIG dwelling units shall be developed as neighbourhood shopping and community facilities(if any). Out of same, 3% of the built up area shall be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for EWS & LIG housing. The provisions of Annexure – 5 shall also apply to these developments.

4.2.1.5 **Other incentives and relaxations to developers:**

- a) **Market pricing:** The developer shall be at liberty to determine the sale price of the EWS and LIG dwelling units over and above the mandatory reservation under Model 1, subject to an overall upper limit of Rs. 15 lakh per dwelling unit for the largest unit. This price will be revised time to time by the State Government / Odisha Housing Mission. The developer can allot Affordable Housing (AH) units created under the provisions of 4.2.1.2 by itself. Provided the developer shall not allot more than one unit of the EWS or LIG components in a project to a single household.
- b) **Fast track approval process:** The projects under this model shall be eligible for fast track approval process as specified by the Government in Annexure- 5.
- c) **Exemption from land use conversion charges:** The developer shall be exempted from land use conversion charges by the competent revenue authority to the extent of EWS and LIG housing, over and above the mandatory reservations under Model 1, on issuance of a certificate from the Authority approving the building plan.
- d) **Exemption from Building Plan sanction fee:** The projects under this model shall be exempted from payment of building plan approval fee to the extent of EWS and LIG housing in terms of FAR used, over and above the mandatory reservations under Model 1.
- e) **Exemption from External/Periphery Development Charges:** The projects under this model shall be exempted from payment of external/

periphery development charges to the extent of EWS and LIG housing in terms of FAR used.

- 4.2.2 **Project Development Agencies for Government (OSHB/ ULBs/ DAs/ RITs/ SPAs)**
- 4.2.2.1 **Applicability of Model 1 requirements:** The provisions of Sections 4.1.2.1, 4.1.2.2 and 4.1.2.5 of Model 1 of this policy relating to mandatory provision of EWS and LIG housing shall also apply to Housing projects of PDA covered under Model 2.
- 4.2.2.2 **Additional reservation for EWS and LIG housing:** If a PDA reserves area under EWS and LIG dwelling units beyond the mandatory provision of 20% of area under Model 1, then they will be eligible to get further incentives under this model. These incentives shall be limited to the built up area reserved over and above the mandatory provisions of 4.2.2.1, subject to condition that minimum 50% of same shall have been reserved for EWS housing.
- 4.2.2.3 **Compensatory FAR:** The PDA shall be entitled to receive additional FAR equivalent to 100% of the built up area utilized for EWS and 50% of the built up area utilized for LIG units over and above the mandatory reservation under Model 1. This additional FAR shall be utilized in the same site subject to maximum FAR of 3.5. Provided if there is difficulty in utilizing the compensatory FAR in the same project, it shall be entitled to receive TDR for the unutilized Compensatory FAR which, they may utilize at a different location, again subject to the limitation of not more than FAR of 3.5 at a single location, or transfer to third parties subject to guidelines to be issued by the Government in this regard.
- 4.2.2.4 **Utilization of remaining built-up area:** The remaining built-up area may be utilized for other categories of houses and commercial purposes. This shall be subject to relevant provisions of Planning & Building Standards Regulations in force.
- 4.2.2.5 **Mixed-use development in area reserved for EWS and LIG dwelling units:** 5% of the built up area reserved for EWS and LIG dwelling units shall be developed as neighbourhood shopping and community facilities (if any). Out of same, 3% of the built up area shall be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for EWS & LIG

housing. The provisions of Annexure – 5 shall also apply to these developments

4.2.2.6 **Other incentives and relaxations to PDAs:**

- a) **Market pricing:** The PDA shall be at liberty to determine the sale price of the EWS and LIG dwelling units over and above the mandatory reservation under Model 1, subject to an overall upper limit of Rs. 15 lakh per dwelling unit for the largest unit. This price will be revised time to time by the State Government / Odisha Housing Mission. The PDAs can allot Affordable Housing units created under provisions of 4.2.2.2 by following its own allotment procedures.
- b) **Fast track approval process:** The projects under this model shall be eligible for fast track approval process as specified by the Government in Annexure - 5.
- c) **Exemption from Building Plan Sanction fee:** The projects under this model shall be exempted from payment of building plan sanction fee to the extent of EWS and LIG housing in terms of FAR used, over and above the mandatory reservations under Model 1.
- d) **Exemption from External/ Periphery Development Charges:** The projects under this model shall be exempted from payment of external/ periphery development charges to the extent of EWS and LIG housing, in terms of FAR used, over and above the mandatory reservations under Model 1.

4.3 **Model 3: Development of Affordable Housing Projects**

Under this model, Government will give specific target for creation of Affordable Housing (AH) units to various PDAs. To achieve same, State Government shall allot land to PDAs, on free of cost and freehold basis. On such lands, PDAs may take up development of affordable housing on PPP model or by itself. This will be undertaken as per following principles.

4.3.1 **Affordable Housing Projects on PPP Model**

In line with objective of the Policy to enable public private partnerships for affordable housing and leveraging government land for affordable housing development, this model sets up a mechanism for partnership between PDAs and private developers for increasing the supply of affordable housing stock in Odisha.

4.3.1.1 **Provision of Government Land:** Government land for the projects to be taken up under this model shall be provided to PDA on free of cost and freehold basis. The land for the project shall be divided into two parts i.e. Affordable Housing Area (AHA) & Developer Area (DA). These shall be subject to following conditions:

- a) Affordable Housing area shall not be less than 65% of the total project area.
- b) At least, 50% of the houses in the project shall be for EWS category.
- c) The Developer Area will be given by PDA to private developer on freehold basis, as per the terms and conditions of the Concession Agreement.
- d) The ownership of land reserved for Affordable Housing Area will remain with PDA and Affordable Housing units developed over same shall be allotted to the eligible beneficiaries. This allotment shall be made as per the provisions of Annexure – 3.

4.3.1.2 **Mandatory Development Norms:** The following mandatory development norms shall be followed by PDA for structuring of projects under this model and the same shall also form part of the bidding documents:

- a) **Density Norms:** The PDA shall ensure that density in terms of Dwelling Units per Acre (DU/Acre) on Affordable Housing Area shall be as per provisions applicable to affordable housing units in Annexure – 5.
- b) **Mixed Land Use Norms:** 5% of the built up area reserved for EWS and LIG dwelling units shall be developed as neighbourhood shopping and community facilities (if any). Out of same, 3% of the built up area shall be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for EWS and LIG housing. The provisions of Annexure–5 shall also apply to these developments.
- c) **FAR:** Maximum FAR of 3.5 will be allowed for the projects under this model. If part of FAR for Affordable Housing Area remains unutilized, the same can be utilized by the private developer on Developer Area.
- d) **Number of Affordable Housing Units:** Bid documents shall specify the number of EWS & LIG dwelling units to be built by the private developer for handing over to PDA. The construction specification

along with the detailed plan of the Affordable Housing Area development shall also form part of bidding documents.

- e) **Neighbourhood Shopping Units & Community Area:** The neighbourhood shopping units and community area as developed by developer in Affordable Housing Area shall be handed over to PDA for further allotment and management.

4.3.1.3 **Selection of private developer:**

- a) **Bidding Process:** The selection of the private developer shall be done through an open competitive bidding process.
- b) **Eligibility Criteria:** The private developers participating in the bidding process shall qualify on the eligibility criteria given in Annexure-4 and other such criteria as given in Bid documents.
- c) **Fixed Parameter:** The fixed parameter will be construction of Affordable Housing Units along with the neighbourhood shopping and community facilities to be developed by the private developer in Affordable Housing Area, which shall be handed over to the Project Development Authority free of all costs.
- d) **Bidding Parameter:** The concession fee to be quoted by the private developer for the project will be the bidding criteria. The eligible private developer who quotes lowest grant or highest premium shall be selected for the project. This concession fee shall be payable to or by the PDA in installments as per conditions given in the Bid documents.
- e) **Payment of Concession Fees:** The concession fee shall be paid in or out of CIDF for the projects in the development area of Development Authorities. For other areas, the concession fee shall be paid in or out of State Housing Fund.

4.3.1.4 **Allotment of EWS and LIG dwelling units:**

- a) The PDA shall undertake identification, verification and final selection of beneficiaries for the affordable housing units being developed in the project. Assistance of Affordable Housing Facilitation Centers if any, established under this policy, may be taken up by PDA to perform these duties.
- b) The selection of the beneficiaries shall be done as per the provisions given in Annexure - 3. The PDAs shall also maintain a wait list of potential beneficiaries, equivalent to 50% of the Affordable Housing

Units being developed in the project to mitigate the risk of dropouts during the process of allotment or thereafter.

- c) The PDAs & ULBs shall also take up advocacy for new Affordable Housing Schemes and shall also facilitate access to Housing Micro Finance to enable beneficiaries to pay for the house.
- d) The private developer shall pro-actively participate in this facilitation process for availing of housing finance by selected beneficiaries. The selected developer shall also proactively undertake marketing activities, loan fairs and provide handholding support to the beneficiaries. The details of these obligations will form part of Bid documents.

4.3.1.5 **Utilization of Developer Area:** The private developer shall utilize the Developer Area for taking up housing and commercial projects, subject to provision of Planning & Building Standard Regulations in force and subject to provisions of this policy.

4.3.1.6 **Other incentives and relaxations:** The projects under this Model will also be eligible for availing following incentives and relaxation:

- a) **Fast track approval process:** The projects under this model shall be eligible for fast track approval process as specified in Annexure- 5.
- b) **Exemption from various fees, Charges & Security Deposit:** The projects under this model shall be eligible for exemption from following fees, deposits and charges limited to development on Affordable Housing Area:
 - i. Exemption from sanction fee of building plan sanctioning authorities;
 - ii. Exemption from payment of external/peripheral development charges of Urban Local Bodies etc.
 - iii. Exemption from keeping of security deposit by building plan approval agencies.

4.3.2 **Development of Affordable Housing Projects, directly by PDAs:** PDA may take up construction of Affordable Housing Projects directly by adopting industrial approach to construction as given in Annexure 8. In such cases, Affordable Housing Area can extend from 65% to 100% depending upon availability of funding from State Government sources or any other project. The other provisions of 4.3.1 (PPP Model) will apply, mutatis mutandis, as if PDA is the developer.

Chapter - V : SLUM REHABILITATION AND REDEVELOPMENT HOUSING (SRRH)

5.1 Introduction and Preliminary

In line with the Policy objective of creating a comprehensive, holistic policy framework to address all aspects of housing for the urban poor including slum redevelopment and rehabilitation, three models are prescribed below for taking up SRRH. The Odisha Housing Mission (OHM) will be the nodal authority for taking all decisions related to selection of a particular model, project structuring etc.

5.2 Typologies of Slums and Development Models

The slums are broadly classified into following typologies and the models of their development will be adopted accordingly

Sl. No.	Land Ownership	Slum Typology	Development Model
1	Govt. (Centre/ state/ ULBs/ railways/ airports/forests/ etc.)	Tenable	In-Situ Redevelopment (Model 4)
2		Semi Tenable	Either Model 4 or Model 5
3		Untenable	Relocation and Resettlement (Model 5)
4	Slums with Record of Right (RoR)	Tenable	Self-development through microfinance or self-investment with in-situ upgradation / redevelopment under schemes of govt. (Model 6)

5.3 Step by Step Approach

5.3.1 **Finalization of Project Development Agency (PDA):** Odisha Housing Mission (OHM) will finalize PDA for taking up Slum Re-development Project for a particular slum.

5.3.2 **Spatial Survey:** A spatial survey shall be taken up for finalizing the outer boundary of every slum. This will be done on GIS platform.

5.3.3 **Validation of the Slum Boundary:** Project Development Agency (PDA) shall issue a public notice indicating the slum boundary with a request to all concerned for indicating their interest in the land, objections or suggestions on the boundary. A period of at least fifteen days will be given for submitting the responses. After hearing all the issues raised during the notice period, Project Development Agency will finalize the boundary.

5.3.4 **Tenability:** After finalization of slum boundary including land details, a particular slum will be categorized as tenable, untenable or semi tenable by taking into account tenability of the land, health and safety factors, issues of public interest and any other matter.

5.3.5 **Slum Redevelopment Project Area:**

- (a) If the slum is tenable, on the area covered under the slum boundary, proposals of roads, drainage etc. as per Development Plans in operation for that area shall be overlaid on same.
- (b) These areas as required for master plan roads & drains shall be excluded.
- (c) After same, vacant area on fringes of such slum boundary shall be taken into consideration to make the area under slums better developable. This area, which shall be used for slum redevelopment project shall be called Slum Rehabilitation Project Area (SRPA) and same shall be demarcated on map. This is subject to the condition that area provided under SRPA shall not be more than the area under the slum boundary.
- (d) This SRPA will be divided in to “Rehabilitation Area” & “Developer Area” provided further that “Rehabilitation Area” on which SRRH will be taken up shall not be less than the 65% of the total SRPA.

5.3.6 **Clubbing of Slums:** The PDA can also consider clubbing of nearby slums in clusters for in-situ redevelopment to make them financially and technically viable. Such cluster of slums can be considered as a single project.

5.3.7 **Notification of the Slum Boundary:** After approval of the tenability, slum boundary and Slum Rehabilitation Project Area (SRPA) by Odisha Housing Mission, Project Development Agency will notify the same in its notice board for information of all concerned.

5.3.8 **Transfer of Land:**

- a) **For Tenable Slums:**-On finalization of slum boundary, tenability status & SRPA by the Odisha Housing Mission, the land shall be transferred within 60 (sixty) days by the concerned department in the name of PDA on freehold basis without any cost.
- b) **For semi-tenable Slums:** - PDA will initiate the process of curing of issues, which can make the slum tenable, if permissible under relevant laws rules & regulations. Once made tenable, the land shall be transferred by concerned department in the name of PDA on freehold basis without any cost within a period of 60 days of notification by PDA to that effect, with approval of OHM.

- c) **For Relocation:** - For untenable slums, semi-tenable slums or any other slums, which are to be relocated, a relocation site duly approved by Odisha Housing Mission will be identified and land shall be transferred to PDA within 60 (sixty) days by the concerned department in name of PDA on freehold basis without any cost.
- 5.3.9 **Socio-Economic Survey:** The socio-economic survey of slum households will be done by using bio-metric data or linking the same with UIDAI/AADHAAR card for addressing concerns related to duplication of the allotments of SRRH.
- 5.3.10 **Validation & Preparation of final list:** The socio-economic data collected by Project Development Authority as per above said, will be put up in public domain for a period of at least fifteen days for information of all concerned and to invite suggestions, objections and claims during this period. All such claims received will be disposed of as per local enquiry and cutoff date approved by an authority duly authorised by OHM. On basis of same, PDA will finalize the final list of families in a slum and submit the same to Urban Local Body for approval, in case if ULB is not the PDA.
- 5.3.11 **Formation of Registered Society:** After approval of list of slum dwellers, a Slum Level Registered Society (SLRS) will be formed by taking up an extensive social mobilization effort by PDA with the help of concerned Urban Local Body (if ULB is not the PDA).
- 5.3.12 **Signing of Agreement between Slum Level Registered Society (SLRS) & Project Development Agency (PDA):** An agreement will be signed between SLRS, PDA and concerned ULB for adhering to their respective commitments. A model agreement would be made available to all PDAs by OHM.
- 5.3.13 **Issuance of Entitlement Certificates:** On basis of the agreement, Entitlement Certificate for SRRH will be issued in the name of the female head of the household or in the joint name of the male head of the household and his wife, and only in cases when there is no adult female member in the family, it can be in the name of male member of the household. This will give all such beneficiaries, a right to have a EWS dwelling unit of standard size from government at the rates notified by state government. This certificate cannot be transferred and shall be liable to cancellation, if there is violation of terms & conditions as prescribed for same by OHM.
- 5.3.14 **Initial Deposit and Process of Allotment:** This will be in accordance with the policy framework presented in Annexure- 3.

- 5.3.15 **Award of Work:** Only after approval of OHM, the contract to take up SRRH project shall be entered into.
- 5.3.16 **Transit Accommodation:** As per the terms and conditions of the bidding document approved by OHM, the provision of transit accommodation shall be made by PDA through contractor or the private developer of PPP project, as applicable and deemed appropriate. The guiding provisions for transit accommodation shall be as per Annexure - 10 to this policy.
- 5.3.17 **Involvement of SLRS during Construction:** SLRS will be proactively engaged by PDA during the construction period so as to ensure social audit of the quality of construction being taken up.
- 5.3.18 **Completion of work and Handing over of assets:** After completion of the work Project Development Authority will hand over the dwelling units to the entitled beneficiaries as per allotment procedure. The common area and common functions will be handed over to Slum Level Registered Society (SLRS) for the purpose of maintenance.
- 5.3.19 **Process of allotment and transfer of ownership:** The process of allotment, payment of beneficiary's contribution, transfer of ownership will be as per the policy guidelines given in the Annexure-3.

5.4 **Model 4: In-situ Slum Redevelopment:**

If the Slum is on tenable land, whether Central Government land / State Government land / ULB land / land belonging to any other statutory authority or PSU, and if the land is not essentially required for any important public purpose, then the redevelopment of such slum will be taken up in-situ. This development may be undertaken by the PDAs through private developers on PPP mode or directly by acting as developer. The PDA may also exercise a combination of the above as per the project structuring to be taken up for each of such slum on case to case basis and with due approval of the Odisha Housing Mission constituted under this policy.

- 5.4.1 **Development on PPP Model:** In line with objective of the Policy to enable public private partnerships for slum rehabilitation & redevelopment and leveraging government land for such projects, this model sets up a mechanism for partnership between PDAs and private developers for undertaking projects relating to development of SRRH.
- 5.4.1.1 **Mandatory Development Norms:** The following mandatory development norms shall be followed by PDA for structuring of projects under this model and the same shall also form part of the bidding documents:

- a) **Density Norms:** The PDA shall ensure that density in terms of Dwelling Units per Acre (DU/Acre) on Rehabilitation Area shall be as per provisions applicable to SRRH units in Annexure-5.
- b) **Mixed Land Use Norms:** 5% of the built up area reserved for SRRH dwelling units shall be developed as neighbourhood shopping and community facilities (if any). Out of same, 3% of the built up area shall be exclusively reserved for neighbourhood shopping facilities. The FAR consumed under this section shall form part of total built up area being developed for SRRH. The provisions of Annexure–5 shall also apply to these developments.
- c) **FAR:** Maximum FAR of 3.5 will be allowed for the projects under this model. If part of FAR for Rehabilitation Area remains unutilized, the same can be utilized by the private developer on Developer Area.
- d) **Number of Affordable Housing Units:** Bid documents shall specify the number of SRRH dwelling units to be built by the private developer for handing over to PDA. The construction specification along with the detailed plan of the Rehabilitation Area development shall also form part of bidding documents.
- e) **Neighbourhood Shopping Units & Community Area:** The neighbourhood shopping units and community area as developed by developer in Rehabilitation Area shall be handed over to PDA for further allotment and management.

5.4.1.2 **Selection of Private Developer:**

- a) **Bidding Process:** The selection of the private developer shall be done through an open competitive bidding process.
- b) **Eligibility Criteria:** The private developers participating in the bidding process shall qualify on the eligibility criteria given in Annexure- 4 and other such criteria as given in Bid documents.
- c) **Fixed Parameter:** The fixed parameter will be construction of SRRH Units along with the neighbourhood shopping and community facilities to be developed by the private developer in Rehabilitation Area, which shall be handed over to the Project Development Authority free of all costs.
- d) **Bidding Parameter:** The concession fee to be quoted by the private developer for the project will be the bidding criteria. The eligible private

developer who quotes lowest grant or highest premium shall be selected for the project. This concession fee shall be payable to or by the PDA in installments as per conditions given in the Bid documents.

- e) **Payment of Concession Fees:** The concession fee shall be paid in or out of CIDF for the projects in the Development Area of the Development Authorities. For other areas, the concession fee shall be paid in or out of State Housing Fund. For this purpose, Slum Redevelopment Fund (SDF), as a component of CIDF / State Housing Fund shall be created. This will help in better accounting of funds received and spent on slum redevelopment projects at the city level.

5.4.1.3 **Allotment of Dwelling Units:**

- a) The PDAs shall undertake verification and final selection of beneficiaries for the project as per the provisions of step by step approach given in this policy vide para 5.3. PDAs will facilitate same through the Affordable Housing Facilitation Centers and credible Non-Government Organizations (NGOs).
- b) The developer shall also proactively participate in the process to facilitate housing finance by undertaking loan fairs and providing handholding support to beneficiaries.
- c) The beneficiaries found eligible as per the conditions of eligibility as described under Section 3 of “Annexure 3: Principles of Allotment Mechanism” and having valid Entitlement Certificates shall be issued allotment letters by the PDA. It is further provided that efforts shall be made to ensure that numbers of SRRHs built in a particular project exceeds the no. of entitled beneficiaries in that particular slum, so that balance EWS units built under this provision can be utilized for the purpose of allotment to slum dwellers having entitlement certificates from nearby untenable slums or otherwise.
- d) The PDA shall allot SRRH to beneficiaries having entitlement certificates at the rate notified by State Government for allotment of such housing units.

- 5.4.1.4 **Utilization of Developer Area:** The private developer shall utilize the Developer Area for taking up housing and commercial projects, subject to provision of Planning & Building Standard Regulations in force and subject to provisions of this policy. The land under Developer Area will be transferred

by PDA to the developer on freehold basis, as per terms and conditions defined in the bidding document.

5.4.1.5 **Other incentives and relaxations:** The projects under this Model will also be eligible for availing following incentives and relaxation:

- a) **Fast track approval process:** The projects under this model shall be eligible for fast track approval process as specified in Annexure - 5.
- b) **Exemption from various fees, Charges & Security Deposit:** The projects under this model shall be eligible for exemption from following fees, deposits and charges limited to development on Rehabilitation Area:
 - i. Exemption from sanction fee of building plan sanctioning authorities;
 - ii. Exemption from payment of external/peripheral development charges of Urban Local Bodies etc.
 - iii. Exemption from keeping of security deposit by building plan approval agencies.

5.4.2 **Development of SRRH by PDAs, directly:**

The Project Development Agency may take up In-situ Slum Redevelopment directly by itself. For purpose of such redevelopment, PDA may engage State/ Central Public Sector Enterprise (PSEs) as executing agencies, with approval of Odisha Housing Mission. In such cases, following principles shall be applicable;

5.4.2.1 **SRRH over Rehabilitation Area**

The principles as given vide sections 5.4.1.1 & 5.4.1.3 shall apply, mutatis mutandis.

5.4.2.2 **Developer Area**

The principles given under section 5.4.1.4 shall apply mutatis mutandis. Further, PDA will be at liberty to auction such land or develop it on PPP or any other model.

5.4.2.3 **Incentives and Relaxations**

The principles given under section 5.4.1.5 shall apply mutatis mutandis.

5.4.3 **Slums on Central Government Land**

5.4.3.1 Central government land owning agencies should also undertake “in-situ” slum redevelopment on their lands occupied by slums by using it as a resource for providing houses to slum dwellers. In case of relocation, a land should either be provided by the agency itself or the agency may collaborate with the State Government for obtaining land. Central Government agencies

should not charge land costs for the land used for the purpose of housing the eligible slum dwellers.

- 5.4.3.2 For taking such slum redevelopment projects, the Central government agencies shall also be eligible for availing the grants and subsidies from Central and State Government, as applicable.

5.5 Model 5: Relocation and Redevelopment

Slums on untenable sites or otherwise, as decided, will be relocated in housing projects as described under this model.

- 5.5.1 **Relocation Sites:** The identification of the relocation sites should be preferably made within close proximity to the original slum area from where the dwellers are being relocated. Only in case of non-availability of developable sites within the specified range, far-site resettlements may be undertaken. The vacated site of slum area shall be secured and utilized within stipulated time for its intended purpose. The site identified for relocation, if any, shall be provided free of cost to the PDA. On such land PDA shall take up development of EWS housing as per the principles given under Model – 3.
- 5.5.2 **Land Owner's Contribution in special cases:** In cases of relocation and redevelopment of slums, the original site may have to be handed over to the original land owning agency for development of facilities and amenities for public purpose (whether Central / State government or other agencies such as Airports, Railways, etc.). In such cases, the land owning agency shall contribute an amount on per dwelling unit basis, for the total numbers of beneficiaries surveyed and found to be eligible in the concerned slum area by the PDA. The land owning agencies contribution shall be equivalent to difference between cost of construction of EWS house of standard size and contribution to be paid by the entitled beneficiary or as decided by State Government. Subsidies available under any other government scheme can be dovetailed to the extent possible. State Government may issue detailed guidelines for this purpose from time to time.
- 5.5.3 **Development of the vacated untenable site:** Subject to section 5.5.2 above, land owning agency may decide to take up any development, on the vacated land.
- 5.5.4 **Relocation Plan:**
- a) The process for identification of beneficiaries in such slum areas shall be same as prescribed in 5.3.9, 5.3.10, 5.3.13 & 5.3.14; mutatis mutandis.
 - b) All or any of the households staying in a slum notified for relocation shall be provided with EWS housing within: -
 - i. EWS dwelling units constructed in Model 1 by PDAs or in Model 3

on such terms & conditions as approved by OHM.

- ii. SRRH units in Model 4, if number of units being constructed is more than the number of entitled beneficiaries
- iii. SRRH constructed specifically on a Relocation Site by PDA as given in 5.5.1

5.5.5 **Transit Accommodation:** It is to be provided to the slum dwellers, as per the Guidelines provided in Annexure – 10 to this policy and other directions issued by State Government in this regard, if any, from time to time.

5.5.6 Notwithstanding anything to the contrary, other provisions of allotment, incentives, standard provisions, etc. as applicable in Model 4 shall apply, *mutatis mutandis* to this model as well.

5.6 **Model 6: Beneficiary-Led Individual House Construction or Enhancement**

Slums on lands where ROR is in the name of Slum Dwellers will be redeveloped in-situ through up gradation of existing dwelling unit and municipal infrastructure services.

5.6.1 **Implementing Agency & Mechanism:** The Project Development Authority will develop a comprehensive slum upgradation project proposal for upgradation of such slums by making provisions for various utilities and other urban infrastructure in the existing slum area. The benefits available under various schemes of Government of Odisha and Government of India will be dovetailed for implementation of such upgradation projects.

5.6.2 Beneficiary contribution will be fixed as per specific provisions made in the re-development scheme for in-situ up gradation and as approved by the Odisha Housing Mission.

5.6.3 Similar benefits will also be available to non-slum poor having land in areas / habitations proposed for redevelopment / upgradation under this model, provided they have not availed of assistance from Government under any other programme for the purpose of housing.

Chapter - VI : RENTAL HOUSING (RH)

6.1 Model 7: Rental Housing

Under this model, EWS dwelling units will be given on license basis for occupation and use by a family belonging to EWS category for a particular period and on making an initial deposit and monthly charges to be paid to PDA. This shall increase at the rate of 10% annually or at the rate as decided by OHM/state government.

6.2 Implementing Agency and Mechanism

6.2.1 The PDA may develop new standalone projects for EWS rental housing units. Further, a specific percentage of EWS housing units developed under Model – 3, as decided by OHM, shall be reserved by PDA for this purpose.

6.2.2 In case of new standalone projects the affordable rental housing projects will be primarily structured for development by PDAs on PPP mode through private developers or in such cases, where deemed appropriate by PDAs directly. In both cases, all benefits available under Model 3 will be available. The government may extend any further benefits as decided by it from time to time.

6.2.3 Any state/ central department / agency / industry or any SPV or group of industries public or private may finance the development of rental housing projects for their captive use. In such cases, 50% of total built up area and not less than 50% of the total number of units built shall be reserved for the captive use of such sponsor and the balance unit developed will be utilised by the PDA for Rental Housing Purpose in general. The cost of sponsorship shall be as decided by OHM keeping in view the structure, cost of the project and the numbers of rental housing units solicited by the sponsor. OHM shall also accord decision on the period of captive reservation of rental housing units to the sponsor based on the contribution received from them towards the development of the project.

6.2.4 OHM shall take steps to develop and create rental housing stock for construction workers, in partnership with Odisha Building & Other Construction Workers Welfare Board, Department of Labour and ESI on such terms and conditions as decided by the State Government. Such projects may be implemented through any of the PDA by the OHM.

6.3 Standard provisions

The unit size, eligibility criteria, allotment system, development control norms, development of internal and external infrastructure and maintenance system as provided for in the Annexure to this policy will apply *mutatis mutandis* to rental housing (RH) units.

This will be set up as per further details provided in Annexure – 7 to this policy and the decisions of OHM in this regard from time to time.

ANNEXURE – 1**Norms regarding Unit Size, Cost of Construction & Sale Price**

1. **For Affordable Housing (AH) Units:** Norms regarding Unit size, Cost of Construction, Sale Price and Cost to the Beneficiary for EWS and LIG dwelling units developed under this policy will be as per the table given below:

Criteria	Unit	EWS Dwelling Unit			LIG Dwelling Unit		
		Lower Limit	Standard Size	Upper Limit	Lower Limit	Standard Size	Upper Limit
Carpet area(norm)	sq.m.	21	23	30	31	35	60
Super Built-up Area(@ 140% of the carpet area)	sq. m. sq.ft	29.4	32.2	42	43.4	49	84
	(@ 10.764 sq. ft. per sq. m.)	316.46	346.60	452.09	467.16	527.44	904.18
Cost of Construction (Lump Sum including internal infrastructure @ Rs. 1750/sq.ft)	Rs. In lakhs	5.54	6.06	7.91	8.17	9.23	15.82

Notes:

- (i) **Cost of Construction** of each dwelling unit (Lump Sum including land development cost and internal infrastructure cost) is taken as Rs.1750 / Square feet. This will vary from year to year and the same will be notified by the State Government from time to time.
- (ii) **Sale Price** of all Affordable Housing Units shall be on no profit no loss basis. Further, Odisha Housing Mission will make efforts to ensure that a beneficiary, who is allotted affordable housing unit under this policy, can avail of benefits of government schemes and subsidies. But in case of non-availability of subsidy, likely Cost to the Beneficiary may increase up to cost of construction.
- (iii) **Convergence with Government Schemes & Subsidies:** Convergence with schemes of Government of India and State Government will be made to the extent permissible. Odisha Housing Mission will be the Nodal agency for facilitating application and sanction of subsidies/assistances, as available to such beneficiaries under government schemes from time to time.
2. **For SRRH:** State Government may notify further subsidized “Cost to the Beneficiary” for SRRH Housing from time to time by announcing schemes or more subsidies. Accordingly, beneficiaries of SRRH will be allotted houses at such price as notified by State Government from time to time.
3. **For Rental Housing (RH):** The rates for monthly rental values (License Fees) and EMDs to be kept will be determined by PDA on the basis of location of the project, unit size, facilities provided etc. OHM may issue guidelines in this regard.

Provision of Shelter Fees**1. Introduction**

The Model 1 provides an option to the private developer of apartments/ group housing projects to pay Shelter Fee in lieu of mandatory development of EWS units. The Policy explicitly states that this is only to be utilized in exceptional circumstances. Therefore, the quantification of the Shelter Fee is being done in a manner to make it a less attractive option than the provisioning of EWS houses at site as required under this Policy.

2. Calculation of Shelter Fee

The Shelter Fee will be equivalent to @ 25% of the cost of construction of the standard size EWS Unit.

3. CIDF and State Housing Fund

For the areas covered under Development Authorities, the Shelter Fee will be deposited in the CIDF and for areas not covered under Development Authorities; the Shelter Fee will be deposited in State Housing Fund to be managed by Odisha Housing Mission.

Principles and Mechanism of Allotment**1. Introduction**

The Odisha Housing Mission shall establish a transparent and professionally managed system for allotment of EWS and LIG housing units created under the provisions of this Policy. The key objective of proposed allotment system will be to generate predictability, transparency and ensure social auditing. The system will work on the principle of a continuous process of registration of all those families, who want to avail of dwelling units under this Policy. This will also help State Government in assessment of housing shortages in various cities and plan accordingly. Further, all activities will be on a web based online platform and documents will be put in public domain for ensuring transparency and social auditing. The allotment process shall adhere to following guiding principles.

2. Allotment of Affordable Housing (AH)**(A) Eligibility Criteria for Applicants:**

Following will be the eligibility and terms & conditions for allotment of dwelling units under the policy.

- i. The beneficiary / applicant shall be the resident of a particular urban area on a cut-off date, which is notified by State government in this regard.
- ii. A “dwelling unit” shall be allotted only to such beneficiary family, who do not own a pucca house either in his/her name or in the name of any member of his/her family in any part of India.
- iii. Income eligibility criteria for applicants applying for EWS & LIG Housing shall be up to Rs. 1,80,000/- per annum and from Rs. 1,80,001 to Rs. 3,60,000 per annum; respectively. The income will be certified on basis of Income certificate issued by competent official of Revenue & Disaster Management Department. In case of Bhubaneswar, income limit for EWS & LIG will be considered at 120 % of upper limits specified for income eligibility criteria, in general.
- iv. Dwelling Unit i.e. Flat/Apartment shall be occupied by allottee within six months of taking over of the possession of same.
- v. Dwelling Unit cannot be put on rent by the allottee.

- vi. The minimum lock-in period for transfer of ownership by the beneficiary will be 10 years from the date of handover of the unit.
- vii. The ownership can only be transferred to another beneficiary, who himself/herself is also eligible for allotment of a dwelling unit under this policy and satisfies all the above mentioned criteria.

(B) Online registration

A person who desires to procure a dwelling unit from any Project Development Agencies will be required to register on-line on the official website of PDA. The online registration shall require capture of bio-metric data or submission of UIDAI/AADHAAR number of all family members (above age of 5) at the time of registration.

(C) Unique Account Number

On the basis of online registration, a Unique Account Number (UAN) will be generated. The same UAN shall be used by the applicant for all transactions with the PDA.

(D) Application for allotment in specific project

As and when a public notice, inviting applications for allotment of any affordable housing unit is issued by PDA, the registered person will apply online through official website of PDA.

(E) Facilitation Centre

Persons not having access to computer & internet can visit Facilitation Centers notified by Odisha Housing Mission and PDA for the purpose of online registration and application.

(F) Draw of Lots

The draw of lottery for allotment of property will be made on an IT Platform having randomization abilities. The detailed process will be decided by PDAs. This will be done in presence of independent observers.

(G) Transactions through UAN

The request of allottees for change of ownership, mutation, payment of dues or request for NOC etc. shall be made on-line through the same Unique Account Number (UAN).

(H) Transparency

All documents including affidavits submitted by applicant shall be put up in public domain for the purpose of social auditing.

(I) **Preferential Allotment**

Preference in allotment may be given to physically handicapped persons, senior citizens, Scheduled Castes, Scheduled Tribes, Other Backward Classes, minority, single women, transgender, and other weaker and vulnerable sections of the society. While making the allotment, the families with differently abled persons and senior citizens may be allotted house preferably on the ground floor or lower floors.

3. Allotment of Slum Redevelopment and Rehabilitation Housing (SRRH)

The method of allotment as prescribed above for AH shall apply mutatis mutandis for the allotment of SRRH; subject to following specific conditions.

- (A) A slum dweller family will be entitled for one dwelling unit only, even if family is occupying more than one unit in the slum.
- (B) The slum dweller family should have been occupying the dwelling unit on or before the cut-off date announced by the government.
- (C) The slum dweller family should have enrolled itself as member of Slum Level Registered Society (SLRS).
- (D) The name of the slum dweller's family should figure in survey conducted by government for the purpose.
- (E) The actual occupant of slum dwelling unit should be taken for this purpose as eligible family.
- (F) The entitlement shall be for a EWS category of house of "standard size" as defined in Annexure – 1.
- (G) Any other specific conditions and eligibility criteria as set out by Odisha Housing Mission.

4. Allotment of Rental Housing (RH)

The method of allotment as prescribed for AH shall apply mutatis mutandis for allotment of Rental Housing (RH) units; subject to following specific conditions:

- (A) The allotment in case of rental housing will be on basis of a license, which will authorize the allottee to use the premises for a specified period as per the license agreement. The detailed process for this purpose will be prescribed separately by Odisha Housing Mission.
- (B) The PDA on its own or through an outsourced agency i.e. Rental Management Agencies (RMAs) may manage the rental housing stock.

ANNEXURE – 4**Eligibility criteria for Private Developers for PPP Projects**

A private developer fulfilling the following criteria shall be eligible to apply for PPP projects:

- (A) Experience in building construction works for at least three years.
- (B) Net Worth of last completed financial year should be equivalent to at least 25% of the Estimated Project Cost (excluding Land Cost).
- (C) Consortium or Joint Venture or Special Purpose Vehicle by private developers may also be allowed to apply on project-to-project basis as per provisions of RFP document.
- (D) The detailed qualifying criteria will be as laid out in RFP / bid documents.

Development Norms for Affordable Housing Projects

The Development Control Norms laid out in this Annexure shall apply to the approval of building plans and issuance of certificates for occupancy of AH, SRRH & RH Projects, proportionate to the extent of EWS & LIG Housing provided in such projects. This will apply to all urban areas of Odisha State. On basis of these provisions, relevant changes will be brought in the Planning and Building Standard Regulations or any other Regulations of Development Authorities, Improvement Trusts, Special Planning Authorities etc. as applicable for any urban area of Odisha State. These norms are:

1. Development Control Norms for Affordable Housing Projects:

 - (a) Provisions of Compensatory FAR: The provisions of Compensatory FAR made in this Policy must be followed, while granting plan approval for all housing projects covered under provisions of this Policy.
 - (b) Issue of TDRs: The provisions of this Policy relating to TDRs must be followed for plan approval for all projects attracting provisions of this policy. The Competent Authority shall issue Transferrable Development Rights Certificates for the unutilized portion of the compensatory FAR as per this policy. The Competent Authority shall honour these certificates when they are submitted for utilization in other projects in conformity with relevant regulations and policies.
2. Mandatory Provisions of EWS Housing: The mandatory provisions of Model-I of this policy shall apply to building plan approval for all housing projects covered under this policy. No Building Plan approval shall be granted without the compliance to provisions of Model - I made in this policy.
 3. Issue of Occupancy Certificate: The Competent Authority in each urban area in the State shall ensure that the reserved EWS and/or LIG housing, as specified in this Policy, are completed and ready for allocation before issue of occupancy certificate for the unreserved portions of the apartments or group housing projects to which this policy applies. In case the developer is not providing the EWS and/or LIG houses at the project site, then the Competent Authority shall satisfy

itself that the developer has conformed to the provisions of relaxations provided to the developers under this Policy.

4. Development of infrastructure

The development of external and internal infrastructure shall include:

(A) External development: External development shall include road connectivity, street lighting, water supply, sewerage connection, solid waste management facility and public transport service. The government agencies concerned should provide for the same to the projects under Model 3, 4 & 5 to the extent possible.

(B) Internal development: Internal development works shall include all internal roads, footpaths, complete water supply including overhead or surface water reservoir/distributions lines. Electric distributions lines/ 11 KV line/transformers etc. (if required), internal sewer lines/drainage lines/Nullahas (wherever required), gated compound/street light/ parks/ adequate and proper tree plantation in parks and in front of buildings. Rainwater harvesting structures & sewerage treatment plant shall be mandatory as per requirement.

5. Fast Track Approval for Affordable Housing Projects: The relevant Authority in each urban area in Odisha State shall make arrangements for expediting approval of building plans in conformity with the provisions of this policy. The procedure shall be based on following norms: -

(A) The collegiate system of approval shall be followed to provide hassle-free “Single Window” clearances by the concerned Authority.

(B) The applicant shall be given a “Green Form” after approvals of the project from the Authority. This “Green Form” will be basis for extension of other concessions to the project by various other government authorities.

(C) In this regard, the detailed procedure will be notified separately by the government in H & UD Department.

Operation & Maintenance of the Housing Estates**1. Introduction:**

Affordable Housing, once built needs to be maintained as per set standards, for ensuring that the same does not get dilapidated in short span of time. The objective will be to prolong the time period for which the buildings can be used for habitation, there by optimizing the returns on public investments. Estimates suggest that if long term systems are not set in place for maintenance, then urban poor may not be able to maintain the housing estates to the desired levels. The operation and maintenance of common areas and common functions will be done by a Registered Agency, the detailed procedure for which will be prescribed in Estate (Management & Allotment) Regulations of PDA. In case of PPP projects, the private developer shall in accordance with the terms and conditions of the concession agreement maintain the premises till the time Registered Agency is formed and maintenance responsibilities are duly handed over by the developer to the registered agency. This period shall form part of defect liability period to be fulfilled by the developer.

2. Management Structure:

(A) **Formation and Functions of Registered Agency** - All persons who have been allotted a property in a housing estate shall constitute themselves into a Registered Agency (hereinafter called Agency) under these provisions, which shall include as its objects the following:

- (i) To discharge such duties and responsibilities as are specified in regulations and the agreements made thereunder for the proper maintenance, running, up-keep and keeping in good repair common portions and common services of such property as have been allotted to its constituent members.
- (ii) To pay on behalf of the Agency and on behalf of each constituent member of such Agency all rates, taxes, fees, charges, assessments municipal or otherwise and other levies of whatsoever nature as provided in the regulations and agreements executed with the Authority.
- (iii) To look after the interest of constituent members.

- (iv) To execute with the Authority agreements, lease-deed or other documents as specified in regulations.
- (B) **Constitution of Registered Agency** - The constitution of the Agency and the bye-laws governing its functioning shall be such as may be approved by PDA.
- (C) **Application for Registration** - Every such Agency shall make an application to the Chief Executive of PDAs for registration.
- (D) **Registration of Agency** - The Chief Executive after he/she is satisfied that the constitution of the Agency is in consonance with regulations, shall register such Agency and issue a certificate of registration to the Agency and a certificate of membership to each constituent member of the Agency. Further, if so directed by the Chief Executive, the Agency shall get itself registered under Societies Registration Act, 1860 within such period as may be prescribed in the scheme brochure.
- (E) **Execution of Documents by Agency** - No purchase agreement, hire or lease-deed, or other documents shall be executed until the requirements of same have been completed.
- (F) **Election of Managing Committee** - The Chief Executive or Officer authorized by him/her shall as soon as possible call a meeting of the Agency for electing a President, Vice President, Secretary, Treasurer and one member who shall together constitute the Managing Committee of the Agency.
- (G) **Time Limit for Execution of Agreement** - The Agency shall within such period as may be prescribed by the Chief Executive, execute the agreement in regard to common portions and common services with the PDA.
- (H) **Responsibility of Registered Agency about Services** - The Agency and each of its constituent members shall be responsible for ensuring that:
 - (i) no damage or deterioration is caused to the property handed over in terms of the agreement under these regulations;
 - (ii) no installation or equipment connected with or provided as part of water supply, sewerage, storm water drainage, electricity or other service shall be tampered with;
 - (iii) no construction within the property shall be made otherwise than with the prior sanction of the competent local authority;

- (iv) no obstruction to a person duly authorised shall be caused so as to create difficulties in the discharge of his duties in connection with the matters arising out of the management of property ; and
- (v) no obstruction to common portions shall be caused or misuse of the property shall be made, such as following:
 - (a) occupying common passages, staircases, lifts approaches and the like;
 - (b) throwing garbage or refuse within the precincts of the property or outside it;
 - (c) keeping a vehicle so as to obstruct the free movement; and
 - (d) creating unhygienic conditions or nuisance.
- (I) **Liability of Constituent Member** - The liability of each constituent member shall be limited to the liability prescribed in the constitution of the Agency and as laid down in regulations meant for the purpose.
- (J) **Control by the Chief Executive over the Affairs of the agency** - The Chief Executive of PDA as the registering Authority shall have the power to:
 - (i) Call for information from the Managing Committee or any constituent member of the Agency in connection with the:
 - (a) affairs of the Agency;
 - (b) management of the Housing Estate; and
 - (c) relations between a constituent member and the Agency.
 - (ii) call an extra ordinary meeting of the Managing Committee or of the general body of the Agency, if in his opinion such a meeting is necessary or desirable;
 - (iii) inspect, on a complaint being made, such record and accounts of the Agency as may deem fit;
 - (iv) issue any directive for securing the efficient functioning of the affairs of the Agency or management of the Housing Estate, as the case may be which shall be binding on the Agency; and
 - (v) revoke the registration of the Agency for good and sufficient reasons.
 - (vi) where the registration of an agency has been revoked in pursuance of above, the Chief Executive may either direct the formation of a new Registered Agency or take over functioning of the Registered Agency, himself.

- (K) **Recovery of Dues** - Any dues payable to the PDA by the Agency or its constituent members shall be recovered by the PDA as arrears of land revenue under Orissa Public Demand Recovery Act, 1962.
- (L) **Settlement of Disputes** - If any dispute or difference of opinion arises between the President of the Managing Committee or the Managing Committee and a constituent member or amongst members themselves or between any party connected with the property by which the Agency and the constituent members are concerned in terms of agreements with the PDA, such dispute or difference of opinion shall be decided by the Chief Executive of PDA after hearing the parties concerned. The decision of Chief Executive in this regard shall be final and binding on all.
- (M) **Change of Constituents of Registered Agency**
 - (i) Deletion of Constituent: If allotment of a constituent is cancelled by the PDA then he/she ceases to be the Member of the Registered Agency with immediate effect. Registered Agency is duly bound to inform the same to all other constituents and take further steps as decided by PDA.
 - (ii) Substitution of Constituent: On transfer of the ownership which is duly approved by the PDA, the transferee shall be taken in by the Registered Agency as constituent member on terms and conditions, as applicable to other constituent members. No additional levy or fees can be charged by Registered Agency for such substitution.
 - (iii) New Addition: If a fresh allotment is made by the authority for any of the vacant property in the estate, the new allottee shall become the member of Registered Agency. The new member shall have to pay the fees & charges, as the original member had paid or as decided by the Chief Executive of PDA.

3. **Sources of Fund:** There will be two types of funds to be maintained by every Registered Agency. They will be managed in the manner as provided below:

- (A) **Corpus Fund:** Every registered agency shall maintain a Corpus Fund. The corpus amount being generated from various sources will be kept as fixed deposit in a nationalized bank. The same shall not be encashed in any case. The interest generated out of the corpus will be credited on quarterly basis into revenue account to be maintained by the registered agency, separately. Following contributions will become part of the Corpus Fund:

- (i) 2% of the total estimated cost to be deposited after completion of the work by PDA or private developer for the respective projects.
 - (ii) 50% of the rent accruing out of the neighbourhood shopping units constructed within the Housing Estate. The amount of rent collected by the PDAs to the extent of applicability of this clause will be transferred to Registered Agency's Corpus Fund.
 - (iii) Any other grant or donation received by the Registered Agency for the purpose of Corpus Fund.
- (B) **Revenue Fund:** Each Registered Agency shall maintain a Revenue Fund in any scheduled Commercial Bank. The following amount will flow into this fund.
- (i) Monthly contribution by the constituent members, as fixed by the Registered Agency for maintenance of the common areas & common portions.
 - (ii) Any donation or grant received by the Registered Agency for the maintenance of the housing estate from ULB or otherwise.
 - (iii) Interest on Corpus Fund
4. Efforts will be made to help members of the Society in taking up repair and maintenance work of housing estates by themselves. Their capacity building efforts will be taken up through Livelihood Mission or employment linked training programmes.

Affordable Housing Facilitation Centre (AHFC)

1. Affordable Housing Facilitation Centre (AHFC) with Professional Experts will also be set-up in the Mission to support Odisha Housing Mission in discharge of its duties.
2. Affordable Housing Facilitation Centre (AHFC): AHFC will consist of experts from various fields mainly comprising of capacity building, PPP contract management, social development, E-Governance & Information Technology, Housing Micro Finance, Communications and Geographical Information System expertise to assist OHM in successfully implementing such projects.
3. For Project Development Agencies (PDAs) having annual targets of 5,000 and above dwelling units under this policy, one Affordable Housing Facilitation Centre will be set up.
4. For PDAs having less than 5,000 as annual target, a District level Affordable Housing Facilitation Centre can be set up for the same. This will be as per decisions of OHM from time to time.

Industrial approach to Housing For All

1. The challenge to create housing in EWS & LIG category gets complicated by the sheer numbers involved. If the houses are to be constructed through conventional mode, it takes too long to build, too much to maintain and too much is wasted during the process of housing construction. This further restricts supply of Affordable Housing in the market thereby increasing affordable housing gap.
2. To address these issues of inefficiencies involved in the construction, there is a need to transform the process of housing construction into housing production through an industrial approach thereby saving on both cost and time. This will ensure timely construction, saving in costs, quality control, saving in operation and maintenance costs of the housing stock created. Further process is more environmentally sustainable than conventional construction.
3. To promote industrialized construction, there is a need for Government to play a proactive role. Following policy guidelines are formulated to facilitate this process.
 - (A) **Scale:** Industrial technology will require scale, which can only be brought in by the Government in the beginning. Therefore, Government shall pool various projects of Affordable Housing being taken up by various agencies for award of contracts to ensure scales of economy required for industrial construction.
 - (B) **Facilitation of Industries to be set up:** Government will facilitate setting up of such Industries through Department of Industries. If required, Government will facilitate setting up of an Industrial Estate for Construction Technologies to ensure support to the Housing for All Programme.
 - (C) **Technical Approval:** Any construction technology or material required for adoption by State Government for facilitating construction of housing on large scale will be identified by Housing & Urban Development Department and submitted to Works Department. Works Department will finalize the same with reference to appropriateness of the technology, structural stability and rate analysis. A separate Schedule of Rates (SoR) maybe brought in, if required, for the purpose.
4. Efforts will be made to promote use of fly ash bricks in construction of houses under this policy. To promote the same, OHM may issue separate guidelines from time to time.

Provision of Basic Services to Slum Dwellers

1. This policy is aimed at comprehensive urban development. Towards this goal, all ULBs shall aim at providing the following basic services to all slum dwellers: housing, water supply, toilets and drainage, livelihoods, roads and transport, education, health and other welfare services.
2. ULBs shall earmark and spend 25% or the percentage of the slum population whichever is higher of their development budgets for slum development and give report to state government on same.
3. ULBs shall improve access by all slum dwellers to these services in partnership with the relevant departments/agencies and through a process of convergence. The OHM will be responsible for integrating the inputs of various departments in this regard.
4. ULBs will use slum dweller lists / biometric identification, to provision various welfare services like food subsidies, pensions, relief funds, school fee subsidies, maternity entitlements and girl child benefits to the poorest of poor slum dwellers. Access to household level services will help in broadening the range of potential livelihood activities and improve household productivity.
5. Development Authorities, Special Planning Authorities, Regional Improvement Trusts, ULBs etc. shall reserve at least 20% of land in residential use zone in the development plans / master plans.
6. The contribution of slum dwellers in helping to support local business, industry and trade is substantial. Therefore, ULBs shall undertake initiatives to mobilize resources from the private sector either for the adoption of specific development works at slum level in accordance with the priorities identified by the ULBs. State Government and ULBs may consider introducing fiscal incentives, such as tax exemptions etc., as incentives for mobilizing such contributions.

Transit Accommodation

1. Background

Condition of the urban poor staying in informal settlements (Slums) become more vulnerable as many a times they are evicted without provision for transit shelter or other basic services for them. At the same time there remains a requirement of relocation of some of the slums (informal settlements), which are on untenable lands and where public lands, on which such slums are located, are required for other infrastructure projects. Therefore, there is a need to have a balanced approach for dealing with such cases. This becomes more important as Government of Odisha is committed to protect shelter and other rights of urban poor. Therefore, these guidelines have been formulated to provide for a mechanism, for provision of transit housing to eligible families of evicted slum dwellers before final rehabilitation of such families is taken up. It is envisaged that these guidelines will create a supporting framework for pursuing Housing for All one hand and to facilitate urban infrastructure projects on the other hand.

2. Basic Features

- a. Identification of Beneficiaries: The slum dwellers eligible under this policy for rehabilitation shall be eligible for assistance under these guidelines.
- b. Transit Site: Suitable Land as a Transit Site shall be identified by the PDA for relocation of beneficiaries. The Government shall provide the land required for such Transit Housing to PDAs without any cost.
- c. Implementing Agency: Any PDA may take up development of transit housing in the land identified and approved for such projects. In case of urgency, requisitioning authority may also directly take up development of shelter houses as per approved plans. After completion of same, transit houses are to be handed over to the PDA for maintenance purposes.
- d. Development Plans & Estimates: The transit houses shall be developed as per the approved plans and estimates notified by OHM from time to time.

3. Provisions in Transit Housing

- a. Physical Infrastructure: The transit housing shall mandatorily have following provisions:
 - i. Murrom Road with Drainage facility.
 - ii. Provision of Safe Drinking Water Supply.

- iii. Street Light(s).
 - iv. Community Toilet(s).
 - v. Provision of Solid Waste Management.
- b. Social Infrastructure: Following arrangements for provisions of social welfare services shall be made at the site:
- i. Anganwadi Centre Services: Sub-Collector concerned shall ensure that new site is tagged with nearest Anganwadi Centre. Concerned ICDS Supervisor will be the Nodal Officer for coordinating the same.
 - ii. Education Facility: District Education Officer (DEO) will ensure that new site is tagged with nearby School(s) for providing educational facilities to children. Education Officer (BEO) will be the Nodal Officer for coordination.
 - iii. Healthcare Facility: Chief District Medical Officer will ensure that new site is tagged with nearby health care facility available. Local Auxiliary Nursing Midwifery (ANM) will be the Nodal Officer for this purpose.
- c. Social Welfare Programme: Records for distribution of pensions and other benefits will be changed as per the ward no. of the new site. Local Bodies will ensure the same.
- d. Emergency Support During Transit Period:
- i. Food: Food will be provided to the relocated slum dwellers by the requisitioning authority for at least 10 days to enable them to settle in the new site. If necessary, support of Local Non- Government Organizations (NGOs) may be identified for the purpose.
 - ii. Temporary Shelter: Polythene Sheets or Tarpaulin sheets as temporary shelter are to be given to the relocated slum dwellers for immediate shifting.
 - iii. Transportation Assistance: Assistance will be provided by requisitioning authority for transportation of household materials for shifting to the transit site.
 - iv. Emergency Health Care Support: Regular Health Camp is to be organized for at least one month in the relocated site by Government.

4. Rehabilitation of Slum Dwellers

Within two years full and complete rehabilitation of evicted slum dwellers in terms of provisioning of EWS house (standard size) to entitled beneficiaries, shall be made. Work on same shall start, preferably within six months of such temporary relocation of slum dwellers. To implement the same following provisions shall be made:

- a. Provision of Land: The requisitioning Authority / Department / Agency shall provide a suitable site for rehabilitation of evicted Slum Dwellers. The size of the site to be provided will be in the scale of 175 Dwelling Units per Acre. Provided State Government may provide rehabilitation site in any case where requisitioning Department/Agency is not able to provide land for the purpose.
- b. Funding: The cost of construction of EWS houses may be arranged from following sources:
 - i. Cost to be borne by the beneficiary.
 - ii. Convergence with Government Schemes and Subsidies: Convergence with Central Government & State Government Schemes may be made to the extent possible.
 - iii. Contribution by the Requisitioning Authority: Rest of the funds are to be contributed by the Requisitioning Authority/Agency. Provided State Government may contribute the same in case a particular Authority/Department is not able to make the provisions for same.
- c. Development of Rehabilitation Housing: In case requisitioning agency is not a department of State, then the same agency will be responsible for construction of rehabilitation housing of the Slum Dwellers as per above. OHM may also designate any PDA for taking up this work as per requirement.
- d. Contribution By Land Owning Agencies: The land owning agencies, from whose land slum is to be removed, will be required to provide funds for temporary relocation and final resettlement of evicted slum dwellers as per following:
 - i. They will bear the cost of interim relocation support to be provided including cost of fooding, temporary shelter, transport allowance and other requirements.
 - ii. They will bear rental assistance for a period of two years, for use of rental housing developed and maintained by PDA, if evicted

eligible slum dwellers are housed in transit houses developed by PDA.

- iii. Provision of land for final rehabilitation shall be made at the scale of 175 dwelling units. This site shall be as near as possible from the place, from where they have been evicted.
- iv. Cost of EWS Housing Unit minus the beneficiary contribution is to be provided by the Land owning agency. The subsidy available under the existing schemes of Government of Odisha and Government of India can be dovetailed by the land owning agencies to the extent possible.
- e. Exemption by State Government: The above said contribution must be provided by all Land Owning Agencies which are going to use the land for the purpose of commercial exploitation. In case of requirement of encroached land for public infrastructure works, State Government may exempt any such agency or department, from the responsibility of final resettlement. In such cases, State Government will make provisions for the same.

5. Temporary Shelter Sites in cases of Emergency Evictions

There are possibilities that construction of transit housing may take time and same may not be possible to be built before eviction, for example, where removal of encroachment may be required for development of roads, drains or any other matter of urgent public importance, requiring such eviction. In such cases; requisitioning authority, Local Bodies & State Government will take proactive steps to provide temporary shelter sites; where provision of drinking water, lighting, etc had been made. In such cases, after construction of Transit Housing, evicted slum dwellers will be given option to either move to such transit housing or they can choose to stay in the temporary shelter site provided by the Government.

6. Nodal Officer

There will be Nodal Officers from Urban Local Bodies and District Administration to coordinate various measures to be taken as per provisions of these guidelines.
